

Apartment for Sale to Roma : Trieste

150 square meters | : 2 | : 3 | : 7

Trieste / Piazza Annibaliano - Charming apartment located in an early twentieth century building. Located on the eighth floor of a period building with concierge service, the apartment, renovated with quality materials, flooded with light thanks to a skilful distribution of spaces, will amaze you with the intrinsic elegance of the rooms and the feeling of complete comfort, qualities that make the property the ideal home for a young family. Consisting of a double entrance, the property has a large living room with a balcony. The sleeping area, well separated from the living area, is made up of two comfortable bedrooms, two bathrooms and balconies and a veranda. The apartment is completed by a large kitchen with independent entrance and a third small bedroom.

A house full of light, pervaded by silence, in one of the residential areas best served by the capital's infrastructure, a few steps from shops, supermarkets, universities and prestigious schools, well connected and served by all public transport and above all by the underground line. The entrance to the metro is located a few steps from the building where the property is located.
