Cava del Gesso Road

□ Exclusive property with rustic house, land and private garden, a short distance from the sea. Approved renovation and expansion project with swimming pool. Building permit withdrawn.

Located in the famous Strada Cava del Gesso, with magnificent views of the vineyards, the green fields and the blue sea, the farmhouse represents the ideal solution for those who love the tranquility of the Tuscan countryside, without giving up the benefits of proximity to other homes and the town of Capalbio, which, similar to a painting set in a precious frame, can be seen from the windows of the first floor of the rustic house.

The approved project involves the expansion of the existing farmhouse on two levels, designed with a perfect division of the internal spaces, enriched with pergolas and porches. The possibility of creating a large swimming pool, in the sunniest area of the private garden, completes the property.

The two real estate units, integrated and complementary, in a single body, with outdoor spaces, flooded with light at all hours of the day, surrounded by silence, are the ideal solution for those who love having a home in the most famous and exclusive part of the Tuscan countryside, well connected to Rome and Fiumicino airport. Furthermore, it is possible to build a single home for large families.

Dimensions and division of the two units:
